DEDICATION

TO those teachers and students
who have gone before us,
who have laid the foundation for
the triumphs of their successors,
and to those who shall raise the
standards of our high school still
higher and soar to greater triumphs
in future years, to the old and to
the new, we, the Seniors of Fort
Collins High School, dedicate the
“Lambkin” of 1931

WARD I. MILLER

Ward I. Miller succeeded Mr. Dunn to the position of Superintendent of the Fort Collins Public Schools in the fall of 1930. He came to Fort Collins from Delta, Colorado, where he had been superintendent of the Delta schools for several years. He attained his college education at the University of Denver, Denver, Colorado, where he received both his B.A. and M.A. degrees.

During the few months Mr. Miller has been in Fort Collins, he has won great popularity, not only in the schools, but also in the community because of willingness to cooperate in civic activities.

PAUL L. ESSERT

Mr. Paul L. Essert came to Fort Collins as principal of the Fort Collins Senior High School at the beginning of the fall term of the school year of 1930-1931. He was graduated from the University of Wyoming, Laramie, Wyoming, where he received his B.A. degree; and from the Colorado State Teachers College, Greeley, Colorado, where he received his M.A. degree.

Although Mr. Essert has been in the high school only a short time, his success is evident. By his splendid cooperation he has gained the admiration of the individual student as well as the whole school.

ORCHESTRA

MUSIC

All of the divisions of the Music Department of the school have enjoyed a particularly successful year, under the direction of Miss Katharyn Bauder, Mrs. J. P. Killgore and Mr. D. Carl Carson.

Besides the boys and girls who attended the Music Week Contest in Denver, twenty boys and girls composed a mixed chorus which went to Colorado Springs for the Music Instructors' Conference. The group sang with about 220 representatives of other schools in the Southwestern Chorus, which rehearsed under the direction of Mr. Kendel for four days and then gave a concert in the Municipal Auditorium.

The choruses for the Operetta and the Christmas Program were taken from these groups and programs were presented several times for civic organizations.

The Band under the direction of Mr. Carson won third place in the State Contests at Greeley and presented its annual Band Concert in the High School Auditorium.

The Orchestra, directed by Miss Bauder, played for various High School productions.

Maryette Sullivan and Ivan Schooley were chosen to represent Fort Collins High School as soloists in the Denver Contests held during Music Week.

"ONE NIGHT IN BETHLEHEM"

A Christmas Program was given again this year as the school's gift to the community. The play, which gave a version of the Christmas Story, was preceded by the singing of old English carols. During the program, a small choir sang off stage.

"G. A. A. FOLLIES"

Every year the G. A. A. entertains the public at a program consisting of dances, songs, and various athletic stunts. This year the program was divided into five parts, "Dance Review," "It Pays to Advertise," "In the Locker Room," "Getting a Permanent Wave," and "Station G. A. A. The 'Follies,'" which are under the direction of Miss Lorna Mulder, are given for the benefit of the Girls' Athletic Association.

"THE WITCHING HOUR"

"The Witching Hour," a four-act drama, in which the plot centered around hypnotism and mental telepathy, was chosen as the All-School Play, given annually for the benefit of Athletics. The leads were taken by Clark Crain, who played the part of a gambler, and Dorothye Jobe, who was his sweetheart. The other members of the cast included Elinor Poundstone, Gilette Malcouronne, Harold Johnson, Robert Lowe, Robert Stephens, James Neighbors, James Hair, George McPhillips, Ralph Mathews and Gifford Preston.

"VAUDEVILLE"

The annual Dramatic Club Vaudeville was again presented under the direction of Miss Mabel Johnson. The theme carried out was that of American life from the Civil War days up to the present time. Some of the various scenes were: a Negro Skit, a dance by the Floradora Girls, an old Barn Dance, a Circus, some songs by soldiers of the World War, and a scene from a modern Ball Room.

"JONESY"

A light comedy which offered quite a contrast to the heavier Major Play, was chosen for the Junior Play, the proceeds of which went to Junior Class. Marjory Gray as Diana Devereaux and James Neighbors as Wilbur Jones, the trouble-maker, carried the leads. The other members of the cast were Bill Hughes as Billy Morgan; Betty Carey as Katie; James Hair as Stanley Jackson; Ina Dougherty as Anna Jones; Rouine Lass as Mildred Ellis; Eleanor Landbloom as Mrs. Jones; Archie Hammond as a plumber; Bernard Riddell as another plumber; Anthony Rogers as Mr. Jones; Ivan Schooley as Silverburg; and Orville Garrison as a policeman.

“SONIA”

The operetta chosen this year was an unusually novel one. A number of pretty singing and dancing choruses added variety to a very modern plot centering about students and college life. The scenes shifted from the campus of an American University to the courtyard of a Russian castle, where Sonia Markova, played by Beth Mitton, and a group of friends go to search for Sonia's father. The part of Pat Dunn, a popular college boy, Sonia's lover, was taken by Ivan Schooley. The other leads of the production were: Irwin Elliott as Maurice; Estes Coleman as Sally; Julia Reed as Peggy; Constance Cramer as Martha Mayflower; Warner Miller as Ajariah Smythe; Gilette Malcouronne as Boris Ivenuff; Clark Crain as Count Ginwhiskey; Frank Akin as Sergeant O'Shaughnessy; and Donald Lord as Drosky.

STAGE CREW

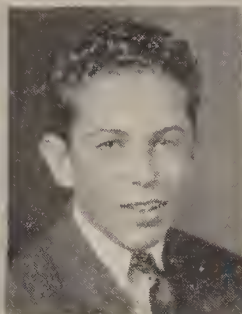

Manager-----Bob Lowe
Assistant Manager-----Marvin Hein

Plays could not be produced without the efficient work of the Stage Crew. This organized body of workers is present at every dramatic performance, and helps make each production a success.

STUDENT COUNCIL

Officers

President_____	Tom Turner
Vice-President_____	Wendel Auld
Secretary_____	Ada Mae Warren
Treasurer_____	Alice White
Sponsor_____	Mr. Roy Langdon

The Student Council was reinstated in the Fort Collins High School in the school year of 1928 and 1929 for the purpose of giving the students a voice in the school government.

One representative and one alternate are chosen by the members of each home room at the beginning of the school year; and either the representative or the alternate must be present at the meetings which are held on the first and third Tuesdays of each month.

The work of the Council is done through committees. Any bill which is introduced into the Council must be passed by a majority vote and then, be referred to and accepted by a committee consisting of one member of the school board, the superintendent and principal, before it becomes a law of the school.

This year the Student Council has sponsored the compiling of a hand book of information about the school which is to be given to each freshman and new student in the school; the selection of the Lambkin Staff; the assembly programs during the first semester; and the sale of candy—the proceeds of which are to be given to the various school activities.

“BENZENE RING”

Officers

President	Kenyth Damke
Vice President	Richard Osborn
Secretary	Fred Schmohl
Treasurer	Billy Runge
Sergeant at Arms	Warren Zenor
Sponsor	Mr. Farnham

To stimulate student interest in Chemistry, to increase scientific knowledge of the members of the group, to increase the public appreciation and interest in Chemistry, and to promote the welfare of the school are the purposes of the “Benzene Ring” as stated in its constitution.

The “Benzene Ring” was organized on March 3, 1929 by Mr. Farnham, the Chemistry instructor. Eligibility in the club depends on the scholarship of the pupil. All pupils whose names have appeared on the Chemistry Honor Roll this year are eligible for membership. The standard grade for the Honor Roll is eighty-eight. During the year, the Club membership reached a total of forty-four.

Chemistry plays, chemical card games, chemistry stunts, reports on various subjects, and addresses by outside speakers composed a series of very interesting programs given by the Club at its meetings this year.

“LATINA SOCIETAS PHILOSOPHIAE”

Officers

President_____Elinor Poundstone
 Vice President_____Alfred Westfall
 Secretary-Treasurer_____Betty Carey
 Sponsor_____Miss Helen Knowles

The Latin Club, which is one of the newest organizations of the Fort Collins High School, was organized this year by Miss Helen Knowles, one of the Latin instructors. Membership in the Club is limited to students who are studying third and fourth year Latin. The purpose of the organization is to gain a wider knowledge of the classics and ancient life and to increase interest in the study of Latin. The Club has accomplished its purpose to a great extent, for much interest has been taken in the Latin Club and in the Latin classes. Its purpose is fitly expressed through its motto:

“Let Knowledge Increase”

The Latin Club, although yet young, has held a great many interesting meetings, and promises to become one of the most active organizations in the school in future years.

CLUB ESPANOL DE LA NOCHE

Officers

President_____Eleanor Landblom
 Vice President_____Charles McAnelly
 Secretary and Treasurer_____Dorothy Ruth Akin
 Sponsor_____Miss Genevieve Jones

The Spanish Club which was organized in the school year of 1929-30 by Miss Genevieve Jones, has grown rapidly in size and popularity. Those members of the second and third year Spanish classes whose grades average ninety percent or more are eligible.

Two meeting each month are held at the homes of the members. On January 6, which is the Spanish Christmas, the members exchange gifts and an appropriate program is presented.

Talks on various subjects concerning Spain and Spanish-speaking people in all parts of the world, together with Spanish plays and music and games requiring Spanish knowledge, make the program educational as well as interesting.

The purpose of the club is to stimulate interest in Spanish and Spanish-speaking people and to give students practice in speaking Spanish.

GIRL RESERVES

President_____	Katherine Barkley
Vice President_____	Dorothy Ruth Akin
Secretary_____	Myrtle Cook
Treasurer_____	Esther Kelley
Sponsor_____	Miss Katherine Fulford

The purpose of each Girl Reserve is "To face life squarely and to find and give the best." The pledge, "I will do my best to honor God, my country, and my community, to help other girls, and to be in all ways a loyal and true member of the Girl Reserves," is the ideal that every girl who wishes to become a member must live up to.

As the younger members of the Y. W. C. A., this organization considers itself a reserve force preparing for leadership and responsibility in homes, school, churches, and community.

During the past year Miss Fulford has been sponsor of the organization.

Certain requirements were made for the girls in order to obtain rings. They were based on general attendance, attitude or interest in meetings, amount of work performed, and general spirit.

A series of talks on women of the "Bible" was delivered to the members at various meetings by Coach Scott.

The social service rendered for the year was in the form of benefit baskets for the needy at Christmas time.

BIG SISTERS

President-----Phyllis Hunter

The Big Sister organization which is sponsored by Round Table, is composed of Senior girls of high scholarship who are active in Round Table. The club, organized in 1920 by Miss Catren, has accomplished a great deal by helping Freshmen girls and all new girls who enter the school.

It is the duty of every Big Sister to help her little sister plan her schedule and to get acquainted with the school and the people in the school. She should do everything in her power to make the first year of her little sister's high school life easier. In short, she strives to be a real "Big Sister" and a real helper.

One of the first social functions of the school year is the Big Sister Tea, to which all little sisters are invited and introduced to other pupils of the school.

Second Row—Felts, Taylor, Avery, Berry, Carey, Sarchet, Barkley.

ROUND TABLE

Cabinet

President_____	Ruth Schureman
Vice President_____	Phyllis Hunter
Secretary_____	Betty Rae Baxter
Treasurer_____	Dorothy B. Griffith
Sponsor_____	Miss Lillian Catren

Pledge

"I give my word of honor that I will do my best to:
'Live purely, think truly,
Right wrong, and honor God.' "

The purpose of Round Table is to promote high ideals, standards of character and scholarship among high school girls. The Fort Collins High School club was organized twenty years ago for the purpose of studying the "Bible." From that time on, it has increased its duties and membership; and at the present time it has a membership of 432.

"Along Life's Railroad" was the theme carried out in the general meetings of this year's Round Table. Two monthly meetings were held—one a general meeting and the other a chapter meeting at which various topics of interest were discussed.

The social events included the fall picnic, the spring play day, the Christmas party, and a pageant, "The Quest for the Perfect Gift" by Mrs. Burgis Coy, given for the mothers. The charity work of the organization included the gathering of food, clothing and money for the poor at Thanksgiving and Christmas.

HI-Y

Officers

President-----John Moore
 Vice Presidents-----Alfred Lewis, Gordon Dyekman
 Secretary-----Philip Longman
 Treasurer-----Sidney Cowan
 Sponsor-----Mr. Theodore Blevins

To create, maintain and extend throughout the school and community high standards of Christian character is the purpose of the Hi-Y club.

In September, 1919, a group formerly known as the "Inner Circle" became a Hi-Y club. Since 1919 the Hi-Y has grown and improved until at present it occupies a position at the very head of the Hi-Y clubs of the nation and is frequently mentioned in many states as a model club.

Prominent business men have given talks on the subject "Why I Chose My Vocation," which have proved helpful to the members this year. "Bible" study was started in December and carried on for about ten weeks. The club gave a Best-Girl Banquet and also a Father-and-Son Banquet. The Hi-Y helped the Round Table organization with Christmas packages; and many members attended the Older Boys Conference in Colorado Springs.

JUNIOR HI-Y

Officers

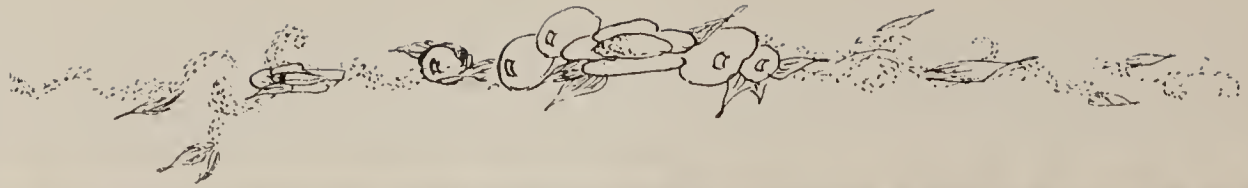

President_____	Donald Frease
Vice President_____	Stewart Case
Secretary_____	Claire Horner
Treasurer_____	Harold Beach
Assistant Secretary_____	Darwin Longman
Sponsor_____	Mr. Lloyd Aspinwall

The Junior Hi-Y was started in 1925 by Coach Shute for Junior High boys only. After two years this plan was changed and only high school Freshmen and Sophomores could belong. There are now thirty-six members.

The Junior Hi-Y has studied the "Bible" and vocational guidance in its work this year. It was represented by its president in the Colorado Springs meeting. This year the club has held a Father-and-Son Banquet, a Best-Girl Banquet, a Mother-and-Son Banquet, and further enjoyed itself at a spring picnic.

The ideals of the Junior Hi-Y are similar to those of the Senior Hi-Y organization; and although members of the Junior Hi-Y are eligible, they do not automatically become members of the Senior Hi-Y club.

To stimulate more interest in agricultural activities is the purpose of the Future Farmers of America.

With a membership of thirty-five, the Fort Collins High School chapter of the national organization began its activities this year under the leadership of Mr. Aspinwall. The Club is made up of students in the Agricultural Department, of which Mr. Aspinwall is the instructor.

The emblem of the national organization, in which there are 55,000 members, is made up of four symbols: the owl, the rising sun, the plow, and a cross section of an ear of corn, surmounted by an American Eagle.

The work of the Fort Collins chapter this year has included: exhibits, contests, debates, farm surveys, project tours, and other educational projects, as well as several social events including a monthly social meeting and a Father and Son Banquet.

The Stock Judging, Poultry Judging, and Crop Judging Teams which are sponsored by the Future Farmers of America, have taken various judging trips, project trips and sponsored various exhibits.

DRAMATIC CLUB

The Dramatic Club is organized for the purpose of sponsoring all dramatic enterprises of the school, furthering interest in dramatics, and forming social contacts between the members.

The first Dramatic Club was started many years ago, but after being active for awhile, it entirely died out. It was reorganized in 1925 by Miss Johnson. Membership is limited to those who have taken leading parts in dramatic productions of the school, business managers, property managers, and members of the stage crew.

Officers are elected in April. The newly elected officers take over their duties at once, and carry on the work for the remainder of the school year and the beginning of the next year. This makes it possible for experienced officers to be in charge most of the time.

Again this year, the Club sponsored the dramatic productions of the school, and presented its annual Vaudeville. The Vaudeville is its most important piece of work, for it is entirely planned by the members and only members of the club may take part in it. A spring and a fall picnic made up the social affairs of the year.

BOOSTERS' CLUB

Officers

President_____	Ruth Schureman
Secretary-Treasurer_____	Eleanor Poundstone
Cheer Leader_____	Tom Turner
Sponsors_____	Mr. Reese, Miss Mulder

The Boosters' Club, which was formed on January 7, 1930, was organized for the purpose of creating more pep and school spirit and to support all of the school activities. Five girls and five boys are chosen from each class to be members of the Boosters' Club for one year. The members have the privilege of re-election if they prove worthy of it.

To become a member of the Club, a person must be passing in at least three subjects, be peppy, and be outstanding in leadership; and to retain this membership, he must not be absent from more than two meetings in succession.

The Boosters' Club has done a very good piece of work this year. It has lived up to its standards; and it has been present at and supported all of the school activities, including: football games, basketball games, track, plays and debate.

Third Row—Westfall, McCafferty, A. Rogers, Crenshaw.
 Second Row—Schureman, Hamilton, Malcouronne, Miss Blakeslee, M. Young, G. Young, Hall.

DEBATE CLUB

This newly organized group sponsored by Miss Blakeslee made up a separate extra-curricular medium for those who desired to become more proficient in the art of debate. Teams for debates with other high schools were chosen from this group according to their ability at the time of each debate. The membership was made up of fifteen people chosen from the forty-two who entered the contest for membership.

State League debates were held with Longmont and Eaton on the question: Resolved, that "installment selling of personal property as practiced in the United States today is more detrimental than beneficial."

The Fort Collins team, composed of Mary Alice Hamilton, John McCafferty and William Crenshaw, upholding the affirmative, was defeated by Eaton in its first debate with that school. Gene Young, Alfred Westfall and Anthony Rogers on the negative team defeated Eaton in the next debate. Mary Alice Hamilton, John McCafferty and Alfred Westfall represented Fort Collins High School in the second debate with Longmont, in which Fort Collins upheld the affirmative, and was defeated, making Fort Collins runnerup in debate for the Northern Colorado district. The tie between Longmont and Fort Collins was worked off, Longmont winning by a 2-1 decision.

Third Row—A. Rogers, Westfall, McCafferty, Crenshaw.

SHARKS' CLUB

Officers

President_____	Anthony Rogers
Vice President_____	Florence Rogers
Secretary-Treasurer_____	Delbert Murray
Sponsor_____	Miss Maude Blakeslee

Sharks' Club as it was reorganized this year had a membership of thirty-two students. The purpose of the club is to stimulate interest in, and to give training to those who care for forensics.

Meetings were held once a month and were prepared and carried out entirely by the students under the sponsorship of Miss Maude Blakeslee. The members engaged in debates on various subjects and through this personal activity received theoretical and practical training in persuasion and debate.

The club was the guest of Colorado Agricultural College at a social and technical evening May 5.

Fourth Row—Moore, Turner, Lewis.
 Third Row—Rogers, Runge, Hamilton, Shannon, Schureman, Mitton, Hunter, Berry.
 Second Row—Stephens, Akin, Barkley, Reese, Rogers, Tapley, Westine.
 First Row—Trimble, Carey, Landbloom, Baxter, Avery, Griffith, Cook, Miller.

NATIONAL HONOR SOCIETY

Thirteen Seniors and nine Juniors were selected this year as members of the National Honor Society. Ruth Schureman, Beth Mitton and Phyllis Hunter were chosen last year from the Junior class. Selection is made on the basis of Character, Service, Leadership and Scholarship.

This year, nominations were made by a committee of ten teachers who chose from the entire Junior and Senior classes those who best represented the qualities. If pupils nominated by a majority of the teachers were found to be in the upper third of their class, they were placed on the final ballot and were rated by the committee. Sixteen points out of a possible thirty were required for admission to the society. Members must have been students in the school for one year previous to their election.

A formal induction of the new members took place shortly after their election, the older members, Ruth Schureman, Beth Mitton and Phyllis Hunter, officiating.

The local chapter of National Honor Society was organized in 1925 and members have been selected since then according to the rules of the society, which provides that not more than fifteen percent of a class may be selected for membership and not more than five percent may be selected during their Junior year.

Third Row—Westfall, Henderson, Auld.
Second Row—McCreardy, McBride, Stoneback, Lacey, Jensen, Bock, Becker.
First Row—Tobiska, Reynolds, Sloan, Wilcox, Lehl, Burch.

COMMERCIAL TEAM

For the purpose of stimulating interest in commercial subjects, State Commercial Contests were started by the State Teachers College at Greeley, Colorado in 1921, and have been an annual event since that time.

Contests are held in: Commercial Law, Rapid Calculation, Typing I and II; Shorthand I and II; Bookkeeping I and II; Spelling; and Penmanship. Any school that teaches commercial subjects may send two representatives to enter the contests in each subject.

Preliminary class room contests are held in April preceding the State Contest. All schools planning to enter the State Contests give these class room contests; and the two pupils receiving the highest scores in each commercial subject are the school's representatives. Representatives from a great many schools of the state assemble at Greeley where they enter the State Contest. The person receiving the highest score at Greeley wins the contest in that subject for his school, and is given a silver loving cup which is held permanently by the school if it wins it three years in succession.

This year, the Fort Collins Senior High School sent sixteen representatives to the State Contest. Grace Henderson won first place in Typing II; Alfred Westfall, second place in Rapid Calculation; Mildred Jensen, second place in Penmanship; Frances Lacey, third place in Typing I; Marjorie Wilcox, third place in Shorthand II; and Elizabeth Bock, third place in Bookkeeping I.

The first school newspaper, the Hi-Y News," published by the Hi-Y Club, made its appearance in Fort Collins Hi in 1919. In 1921, it became a high school publication, and its name was changed to "Spilled Ink." The staff, together with its assistants and reporters has kept the best traditional features of the paper and has improved the publication greatly. Each year "Spilled Ink" has received honors. This year, it placed third in the National High School Newspaper Contest sponsored by the Columbia Press, and fifth in the State Contest sponsored by the University of Colorado.

"Spilled Ink" is issued every two weeks on Thursday. The three big editions of the paper are the Christmas Edition, the Scandal Sheet, and the Graduation Edition.

Members of the staff are chosen by the Sponsor after try-outs have been held. Students who have worked on the paper and have attained the high qualifications necessary are chosen to edit "Spilled Ink."

Coach George Scott and his football aspirants set forth on their 1930 voyage to success in an inspirational spot in the depths of Colorado famed mountain parks. It was here among the stately spires of the Rockies that the future of the great team was cradled. A Wyoming invasion for two practice tilts first held the limelight for the Lambkins and they emerged in both cases confirmed winners. Laramie was the first to fall before the Collins Warriors and Cheyenne followed the following week 44-0.

The Northern Conference was near at hand with a strong Longmont eleven as the first opponent; Collins displayed an ever increasingly powerful offense and sent the bewildered Trojans home trailing 45-0. An apparently weak eleven from the small city of Windsor were the next to fall in the line of defeated invaders. It was here that the Lambkins ran up their most decisive score, 68-0. Eaton, our other small Northern Colorado contender, gave the Collins fans and players a real scare by running over the first touchdown in the first minutes of play. However, the Lambkins must have made a misstep for they came back to extinguish Eaton's hopes 67-7.

Still feeling the sting of the preceding year's defeat, Fort Collins journeyed to Greeley to repay the Greeleyites 53-0.

Forecast as Collin's hardest conference game, the Loveland contest ran true to prediction although the score, 47-0, would indicate an easy win.

With only half the season behind them, the "Scott Men" went into the state elimination with an air of confidence and came out with that same

air. Brighton was smothered on our home field and Wray showed but little resistance on the Aggie field. Feeling the need of a good game before the state final, Coach Scott scheduled a home game with Regis Hi, leaders of the Parochial League. Regis proved to be crafty, but Collins won with a varied attack, 52-0.

It was an injured eleven that made the trip to Canon City for the season's most important game, involving a state title. The Lambkins gave all they had and were victorious by two touchdowns, 12-0. This is the third time in five years that these two teams have met in the state final with Collins a two-touchdown winner.

Coach Scott had a pleasant surprise for his state championship football eleven after the state game, and the Lambkins with Coaches Scott and Blevins and little "Steve" Stevens, the water boy, made a pleasant trip to the sunny southern climes of Arizona where they were defeated by the Phoenix Junior College at Phoenix. Although defeated, the Scottmen fought hard with the odds against them. As a fitting ending to a glorious season, the Lambkins ran wild in downing Sheridan, Wyoming State Champs, 69-14 in a great football classic held in the Denver University Stadium on New Year's Day.

The 1930 season was not only a success in games won and football displayed, but it likewise carried with it a greater success in the spirit of teamwork, and coordination; things which will always be a part of the individuals making up the Lambkin football team for 1930.

Playing their sixth season of organized basketball under the direction of Coach Blevins, the Lambkins marched through the basketball season to win seventeen and to lose five out of a total of twenty-two games played.

The Purple and Gold initiated its cage season by winning three non-conference games in practice tilts. The scores were:

Lambkins	41	Wellington	19
Lambkins	39	Wellington	14
Lambkins	40	Fort Morgan	14

Following these games, the Blevins Cagers opened the Northern Conference season with Loveland as its first opponent. Collins easily defeated the Redmen. In the succeeding games of the first round of the season Collins defeated Eaton, Greeley, Longmont and Windsor.

The Blevins men suffered two defeats in the second frame. Greeley downed the Purple and Gold by one point in a hotly contested game. Following this game, Longmont took a one-basket win. Although the Lambkins made a brave rally in the last minutes of the game, they could not overcome the Trojan lead.

The week end following the completion of the conference schedule, the Lambkins entered the Divisional Tournament at Greeley, as runnerups of the Northern League. Longmont entered as Northern League Champions. The Purple and Gold competed in five games, winning four and losing one to their old rivals from Longmont. Collins defeated Teachers College High in the runnerup finals to earn that position in the State Tournament.

At the State Tournament, Collins met and defeated Manzanola in the first series of games; and then to the great surprise of fans and to the glory of the Purple and Gold, the Fort Collins quintet overcame the famous team from Joes—"The Wonder Team of Colorado." Centennial High of Pueblo was the next opponent. The contest was on the edge until the last moments of play. The Lambkins fought their hardest but were unable to stave off a one point defeat. Centennial proved to be the eventual State runnerups losing to its brother team, Central High of Pueblo, in the finals.

GIRLS' ATHLETIC ASSOCIATION BOARD

President	Betty Carey
Vice President	Flora Banks

Treasurer	Alice White

The Girls' Athletic Association was organized December 4, 1925, with Willa Dunn as president and Dixie Mitton as secretary.

G. A. A. is one of the most active of extra curricular activities. Any girl may belong by coming out for a sport. There are class teams and all-star teams in hockey, volley ball, basketball, and baseball, with individual tournaments in tennis. Hiking is an all-season sport, there is ice skating and skiing in the winter, and roller skating in the fall and spring.

This constitutes the sport program for the year: From September to November there is Hockey and Tennis; November to January, Volley Ball; January to April, Basketball; April to June, Baseball. In February the G. A. A. Follies is put on. In April there is the Round Table Play Day, when Round Table cooperates with G. A. A. in having a picnic and a day of sports for every girl in the school.

The cabinet, the ruling board of the association, consists of the president, vice president, and representatives from each class.

Girls may win a sweater by achieving a required number of points received from the different sports.

The purpose of the Girls' Athletic Association is to promote good fellowship and sportsmanship in Fort Collins High School—to develop good health in all its members—to establish a better public opinion towards girls' athletics—to give support to all high school activities—and to give to as many as possible the benefit of the discipline of sane athletics and training for girls.
